ADDITION TO 15

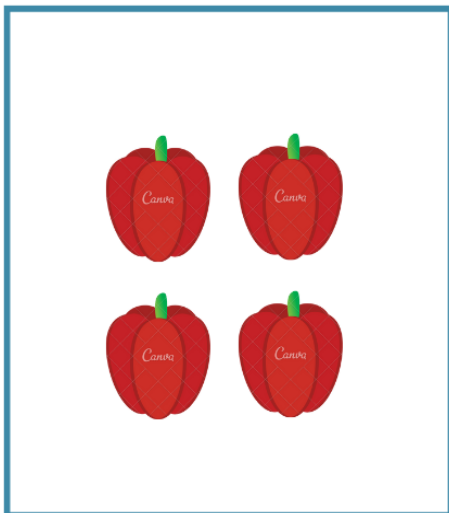

Count the pictures. Add and write the correct sum in the box.

A box containing 6 pumpkins arranged in two rows of three. A plus sign is to the right of the box. Another box contains 5 pumpkins arranged in two rows: the top row has three and the bottom row has two. An equals sign is to the right of the second box, followed by a box containing the number 11.

$$6 + 5 = 11$$

A box containing 4 red peppers arranged in two rows of two. A plus sign is to the right of the box. Another box contains 9 red peppers arranged in three rows of three. An equals sign is to the right of the second box, followed by a box containing the number 13.

$$4 + 9 = 13$$

A box containing 10 eggplants arranged in two rows of five. A plus sign is to the right of the box. Another box contains 2 eggplants in a single row. An equals sign is to the right of the second box, followed by a box containing the number 12.

$$10 + 2 = 12$$
